Remembering the stalwart on his birth anniversary

YB's UPSWING JOURNEY SO FAR

One of the institutions established under the able guidance of Dr Rafiq Zakaria is the YB Chavan College of Pharmacy. A self-financed, minority institution established in 1989 is named after veteran national leader and the first chief minister of Maharashtra State Mr Yashwantrao Balwantrao Chavan.

The College offers UG (B.Pharm) and PG (M.Pharm) programs in four specializations viz Pharmaceutics, Pharmaceutical Chemistry, Pharmacology and Quality Assurance.

The college is approved by the AICTE and the Pharmacy Council of India, New Delhi. Recognized under section 2(f) and 12(B) of UGC, New Delhi. It is permanently affiliated to Dr Babasaheb Ambedkar Marathwada University and has a unique distinction of being the first research Centre in Pharmacy, approved by the Govt. of Maharashtra. It is ISO 9001:2008 and Green Audit A064 Certified institution.

It has secured an All India 24th rank (2017) by NIRF, Government of India. A team of 40 qualified, experienced and dedicated teachers including 15 Ph D holders in a required ratio of 14:1 cater the learning needs of the students. The College has produced approximately 2000 graduates with merit and university toppers, some alumni hold high position across the globe.

The college has functional MoUs with many reputed companies for facility sharing, collaborative research, training and placement of students. Every achievement and endeavor of the college has

been promoted by the dedicated and visionary zeal of Padmashree Mrs Fatma Zakaria, chairperson of Maulana Azad Educational Trust.

Curricular aspects: YBCCP conducts the B.Pharm and M.Pharm programs with CBCS curriculum, which is revised periodically (Some new courses are added and updated) by the University. Senior faculty of College actively participate as BOS members and in curriculum development committees of the University. Further to meet Graduate attributes and Program Outcome/ Program Specific Outcomes (PO/PSO) the college has developed, soft skills and bridge courses.

To ensure planning and effective curriculum, the IQAC constitutes the Academic Planning and Monitoring Committee (APMC) which plays a vital role through a well-planned and documented process.

Approved academic calendar, allotment of courses to subject teachers, updated course modules, daily time table, lab-occupancy schedule, LMS, Digital M.Pharm Dissertation (DMD) softwares, attendance record (Atcovation software), student teacher's diary, robust feedback mechanism are some of the tools implemented by the college for effective curriculum planning and delivery.

For curriculum enrichment, the IQAC takes proactive initiatives in organizing short term courses, bridge courses, guest lectures, seminars and training programs.

Skill oriented and value added courses such as communications skills and personality development (CSPD), two training programs on HPLC and CADD and National Program on Technology Enhanced Learning (NPTEL) course through college local chapter is available. UG and PG students are periodically sent for training and research projects to the industries.

For continual improvement

achieve desired outcome in graduates and postgraduates. A very high average enrolment percentage of students in the college including candidates from the reserved category.

Desired amenities are available for differently-abled students. College orientation and induction program followed by identification of slow and advanced learners.

Various student centric processes and tools such as LMS, Digital M.Pharm. Dissertation software, and smart class rooms etc. are used for enhancing teaching and learning.

A team of 39 experienced and qualified teachers including 15 Ph D holders resulting in a required student-teacher ratio of 14:1.

Established mentoring culture for student support.

Academic Planning and Monitoring

Committee, plans and monitors teaching and learning process. POs, PSOs and COs are systematically displayed and communicated to teachers and students through the course modules available on the college website. The Exam Planning and Monitoring Committee, supervises the transparent, robust and time-bound internal assessment system. Continuous Internal Evaluation is strictly implemented with continual reforms.

Learning outcomes are reflected in a high pass per-

centage of students (80%) and a fourth level attainment calculated based on the results, PO, PSO, CO and stakeholders' feedback. This aids in providing an evolving teaching learning system for student satisfaction.

Institutional Values and Best Practices: College organizes Gender equity programs, annually celebrates International Women's day, and provides counselling, facilities considering women's safety, common rooms, specialized facilities and scribes for differently abled.

Environmental consciousness created by adopting alternate energy initiatives. Approximately half of the annual lighting power requirement is met through solar panel and installation of LED lamps enable power saving. An average of 1.5% of total expenditure done is on green initiatives.

Waste Management through Recycling of solid waste, ETP for liquids and E-waste reuse/collection (MoU E-Recon).

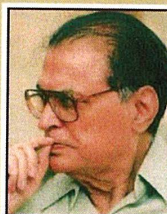

Daily requirement of water is met through wells on campus. A well-equipped rain water harvesting system replenishes the wells.

Green practices is adopted using bicycles, carpooling and public transport. Plastics are replaced/reused/recycle.

Green landscaping with more than a thousand trees /medicinal plants for carbon neutrality. Many initiatives for addressing locational issues, contribution to local community including, maintenance of heritage monument, regeneration of Nehru Ambari, Dam construction, Jan-dhan yojana and many more.

THE ARCHITECT OF MODERN AURANGABAD

The Late Hon'ble Dr. Rafiq Zakaria, our mentor, leader and founder – Chairman of the Maulana Azad Educational Trust and Society, is a legendary figure, a noted educationist, scholar, politician and author of international repute. He was also known the Architect of Modern Aurangabad for having given the city a totally new dimension. He established this Education centre 55 years ago and worked tirelessly to provide quality education to the less privileged sections of the society. He has been laid to rest in a pristine white mazaar, an ode in marble, at the main entrance to Dr Rafiq Zakaria Campus.

April 5 1920 – July 9, 2005

IQAC collects feedbacks from stakeholders through a well-developed and effective mechanism followed by its analysis and appropriate corrective measures are taken.

Teaching-learning and Evaluation: Focusing on the mission to develop an evolving educational system with competent and dedicated manpower, the teaching and learning process is centred on an outcome based education with CBCS.

A robust participative system established by the IQAC is a major contributor to

Working president of AA Dr Upasani C D addressing the gathering

To take a walk down the corridors of nostalgia, the first Alumni Meet was held on November 13, 2016 in the college auditorium. The event was preceeded by the formation of registered Alumni Association (AA) of the college.

The meet started traditionally with the lighting of lamp followed by the welcome song. All the executive committee members of Alumni Association were present on the dais. The alumni association members were felicitated by offering flower bouquet and memento. It was followed by felicitation of executive com-

mittee members of the AA.

Principal Dr Zahid Zaheer welcomed all the guests and gave a brief account of the achievements and development of the college. The principal's speech was followed by AA

President of India, 'Maharashtra Divyang Udyog Bhushan 2016' Award promised any required assistance for research and employment. He appealed to the executive members those who are entre-

Iqbaluddin discussed the job opportunities abroad in the area of hospital and clinical pharmacy.

In his presidential talk Dr C D Upasni, President of Alumni Association, explained the role

spirit of brotherhood and comradeship amongst the alumni of the college, to arrange and collect funds to finance welfare, to support financially poor and the needy students for higher studies and to help the students of the college in placement.

Most of the alumni visited their alma mater for the first time since their graduation and naturally were thrilled to be back in the campus again. The vote of thanks was given by Secretary, Alumni Association Dr Hemant Une. The program ended with batch-wise group photo session. The event ended with campus tour and lunch.
