Monday National Education Policy 2021 15/11/2021

India's new National Education Policy (NEP) 2020 is based on concepts of equity, equality and accessibility, as said by the Union Education Minister, Shreshth Khattar. The Union Cabinet on Wednesday approved the new Education Policy, which is considered as one of the major decisions taken in the field of Education. The Cabinet reorganised the Ministry of Human Resource and Development (MHRD) as the Ministry of Education. According to the Union Cabinet, the major benefit of the NEP 2020 is to provide New Reforms and Infrastructure of Education in India that will be beneficial for the students of India. The bill was approved by Modi Government that was formed by a panel of experts led by the former IAS officer K Kasturirangan. K K had discussed the issues about the changes to bring about in the Indian Education System - From school to college to recruitment. These suggestions were approved by Ministry.
