### [Pathological Bodies: Medicine and Political Culture](#)

by **Corinna Wagner** - **University of California Press**, 2013

This book explores the connections between medicine and political culture that often have been overlooked. In response to the French revolution, political propagandists adopted a scientific vocabulary and medical images for their own purposes.

## USPTO - Database

# Welcome to Patent Public Search

The Patent Public Search tool is a new web-based patent search application that will replace internal legacy search tools PubEast and PubWest and external legacy search tools PatFT and AppFT. Patent Public Search has two user selectable modern interfaces that provide enhanced access to prior art. The new, powerful, and flexible capabilities of the application will improve the overall patent searching process.

If you are **new to patent searches**, or want to use the **functionality that was available in the USPTO's PatFT/AppFT**, select 'Basic Search' to look for patents by keywords or common fields, such as inventor or publication number. Select 'Advanced Search' to use full query options as well as to further filter a patent search by database or organize documents through tagging.

### YALE MEDICINE THESIS DIGITAL LIBRARY

Starting with the Yale School of Medicine (YSM) graduating class of 2002, the Cushing/Whitney Medical Library and YSM Office of Student Research have collaborated on the Yale Medicine Thesis Digital Library (YMTDL) project, publishing the digitized full text of medical student theses on the web as a valuable byproduct of Yale student research efforts. The digital thesis deposit has been a graduation requirement since 2006. Starting in 2012, alumni of the Yale School of Medicine were invited to participate in the YMTDL project by granting scanning and hosting permission to the Cushing/Whitney Medical Library, which digitized the Library's print copy of their thesis or dissertation. A grant from the Arcadia Fund in 2017 provided the means for digitizing over 1,000 additional theses. IF YOU ARE A MEMBER OF THE YALE COMMUNITY AND NEED ACCESS TO A THESIS RESTRICTED TO THE YALE NETWORK,
