### Activity Report

1. **Title of Activity:** "ISO Orientation"
2. **Date & venue:** 13<sup>th</sup> Feb 2021; 02:00 pm onwards, Seminar Hall, YBCCP.

3. **Outcomes of the activity achieved:**

This program familiarize with the requirements, processes, and goals of an ISO standard, such as ISO 9001 for quality management or ISO 14001 for environmental management. It helps participants to understand their roles and responsibilities, know how to implement the standard's requirements, and are prepared to contribute effectively to achieving ISO certification or compliance within their organization.

4. **Description of activity:**

The orientation program session was for half day. The participants included teaching and nonteaching staff of the institute. Mr. R. M. Jain explained introduction to ISO, Requirements, Role, Implementation Strategies and Documentation Review. He illustrated key concepts with real-world examples and explained the principles, requirements, and implementation guidelines of ISO standards in a clear and understandable manner.

5. **Activity Experience:**

**a. Outcome wise description of observations/explanations**

The session was organized to provide the participants about importance of continuous improvement in maintaining ISO compliance and achieving organizational goals.

**b. The concept/principles/procedures learn as the result of activity.**

The session was interactive and demonstrative. The participants practiced in interactive discussions, exercises, and Q&A sessions.

**c. Application of observation/experience in professional life/work**

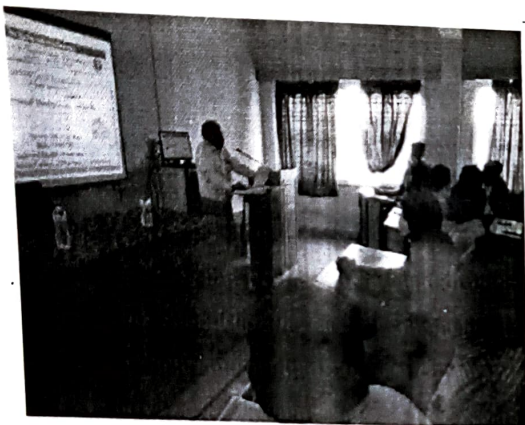

The participants gained confidence and observed importance of documentation to achieve the goal of organization.

**d. Summary & conclusion**

The ISO orientation program has equipped participants with the knowledge and tools necessary to understand, implement, and maintain ISO standards within our organization. Through interactive sessions, practical examples, and discussions, we have clarified roles, identified areas for improvement, and established a roadmap for achieving ISO compliance. As we move forward, it is essential to maintain momentum, foster a culture of continuous improvement, and apply the principles learned to drive positive change and enhance organizational performance.

**6. Assessment of activity outcomes:**

Assessment was done through discussion and the response given by the audience.

**Conducted by: Internal Quality Assurance Cell (IQAC)**
