Monday National Education Policy, 2021 01/11/2021

India's new National Education Policy (NEP) 2020 is based on concepts of equity, equality and accessibility, as said by the Union Education Minister, Smriti Irani. The Union Cabinet on Wednesday approved the new Education Policy which is considered as one of the major decisions taken in the field of education. The Cabinet reviewed the Ministry of Human Resource and Development (MHRD) as the Ministry of Education. According to the Union Cabinet, the major benefit of the NEP 2020 is to provide New Reframe and Transformation of Education in India that will be beneficial to the students of India. The NEP was approved by state government that was formed by a panel of experts led by the former IAS chief N. K. Arora. The NEP had discussed the issues about the change taking place in the Indian Education System - ranging from school to higher education. These suggestions were approved by cabinet.

Essay
National Education Policy-2021
01/11/2021

A new Education Policy has been introduced by our government in July 2020 after a gap of 34 years, for bringing the change in the National Education Policy. The new Education Policy has its objective of making the learning process more effective by enhancing students' employability and employability. The new Education Policy includes several changes at the school level as well as higher education. These essays on the new Education Policy will help you to understand in detail about this subject.

The new National Education Policy came into existence on 29 July 2020, after replacing the existing National Education Policy. The change in education policy is made after a gap of a total of 34 years. But the change was necessary and the need for the same should have been made earlier.
