

**Dr M H Dehghan**

Sr No	Name of the Research Guide	Year of Recognition as a Research Guide	Name of the Scholar	Month and Year of registration of the scholar	Title of the thesis for scholar	Status Completed/ Pursuing
1	Dr Dehghan M H	2008	Dhafer Shafer Amohammed Nomal Al Jaleedi	13/7/2018 With effect from March 2018	Phytochemical and Pharmacological Study of Extract of Momordica Cymbalaria and Moringa Oleifera as Neuro protective Agents	Completed
2	Dr Dehghan M H	2008	Abubakar Baawazir	17/7/2009 With effect from DEC 2008	Development and Evaluation of Some Novel Herbal Antimicrobial Formulations	Completed
3	Dr Dehghan M H	2008	Furquan Nazimuddin Khan	17/7/2009 With effect from DEC 2008	Formulation and Evaluation of Gastroretentive drug delivery system for hypolipidemic drug	Completed
4	Dr Dehghan M H	2008	Shahed Baig Mirza	17/7/2009 With effect from DEC 2008	Stress Degradation studies and development of validated stability indicating assay methods for some novel drugs and formulations.	Completed
5	Dr Dehghan M H	2008	Mohammed Ismail Mouzam	JNTU July 2009	Development and Evaluation of Nasal Delivery systems of Antihistamines	Completed
6	Dr Dehghan M H	2008	Swapnil Sharadhkumar Chudiwal	8/5/2015 With effect from October 2013	Design and development of Nasopulmonary Formulations	Completed

7	Dr Dehghan M H	2008	Nazimuddin Mohd Chisti	8/5/2015 With effect from October 2013	Studies on Quality by Design (QbD) Approach for Development of Nano Drug Delivery System	Completed
8	Dr Dehghan M H	2008	Kazi MarzukaSh oeb	8/5/2015 With effect from October 2013	Formulation and Evaluation of Drug Delivery System Utilizing Liquid Crystal Structures	Completed
9	Dr Dehghan M H	2008	Suhas Marutirao Kakade	18/9/2015 With effect from December 2014	Development and Evaluation of Biodegradable Microspheres Controlling Drug Delivery for treatment of Hormone Responsive Cancer	Completed
10	Dr Dehghan M H	2008	Saliya Parveen Gulam Rasool	10/3/2022 With effect from October 2021	Development of Sustained Release Matrix Tablet Using Novel Polymer by QbD approach	Pursuing
11	Dr Dehghan M H	2008	Aiman Rbia Mohammed	10/3/2022 With effect from October 2021	Formulation and Development of Novel Dual Drug Loaded Delivery System	Pursuing
12	Dr Dehghan M H	2008	Vinayak Mhaismale	10/3/2022 With effect from October 2021	Formulation and Development of Nanocarrier Mediated Delivery System for an Anticancer Drug	Pursuing
13	Dr Dehghan M H	2008	SHAIKH Sana Kausar	10/3/2022 With effect from October 2021	Development and Evaluation of Hydroxyapatite based Novel Drug Delivery System	Pursuing
14	Dr Dehghan M H	2008	Sabina Meraj Shaikh	10/3/2022 With effect from October 2021	Studies of Novel Stratergies for Formulation and Development of Poor Water Soluble Drugs.	Pursuing

15	Dr Dehghan M H	2008	Aqsa Quazi	10/3/2022 With effect from October 2021	Formulation and Development of an Inhalable drug delivery system for sino pulmonary infection	Pursuing
16	Dr Dehghan M H	2008	Makarand Avhad	20/5/2019 With effect from June 2018	Design And Development of Injectables Using Current Reformulation Strategies	Pursuing
