

Dr Santosh N Mokale

Sr No	Name of the Research Guide	Year of Recognition as a Research Guide	Name of the Scholar	Month and Year of registration of the scholar	Title of the thesis for scholar	Status Completed/ Working
1	Dr Santosh N Mokale	2015	Anasuya M Patel	Feb 2015	Effect Of Combination Of Some Broad Spectrum Antibiotics And Immunomodulatory Antibacterial Agents For The Treatment Of Experimentally Induced Sepsis.	Completed
2	Dr Santosh N Mokale	2015	Nikhil S Sakle	Feb 2015	Chemomodulatory Influence Of Some Medicinal Herbs In Chemically Induced Carcinoma	Completed
3	Dr Santosh N Mokale	2015	Dattatraya V Wani	Feb-2015	Analytical & Bio-Analytical Method Development & Validation Of Some Drug Substance & Drug Product	Pursuing
4	Dr Santosh N Mokale	2015	Priyanka T Sanap	June-2018	Development Of Some Novel Anti-Cancer Agents	Pursuing
5	Dr Santosh N Mokale	2015	Shweta A More	June-2018	Design,Synthesis And Pharmacological Screening Of Some Novel Anti Cancer Agents	Pursuing
6	Dr Santosh N Mokale	2015	Sharuk Khan	June-2018	Design, Synthesis And Development Of Some Novel Heterocyclic Compounds As Potent Anti-Proliferative Agents	Pursuing
7			Nanasaheb B. Dharbale	July-2012	Development Of Some New Pharmaceutically Active Compounds.	Pursuing

6	Dr Santosh N Mokale		Pratap S Dabhade	June-2018	Synthesis,Pharmacological Screening And Docking Analysis Of Some Novel Anti-Cancer Agents.	Pursuing
7	Dr Santosh N Mokale		Sachi A. Dhawale	Sepr-2018	Development Of Epigenetic Hybrid Inhibitors Targeting Angiogenesis And Tumor Progression By Inducing Synergistic Cytotoxicity In Solid Tumors	Pursuing
