**Summary:** The Annual Gathering Rangoli Competition held on March 6th, 2023, was a grand success. The theme of the event was Electoral Awareness, and it saw a participation of five groups of students who displayed their creativity and artistic skills.

The event was judged by Dr. Mirza Shahed Baig, Associate Professor at Y.B. Chavan College of Pharmacy, Aurangabad. As a judge, Dr. Baig had a tough job, as all the Rangolis were amazing in their own way, showcasing unique and thoughtful interpretations of the theme.

The participants used a variety of colors, patterns, and symbols to depict the importance of elections and the role that citizens play in the democratic process. Some designs highlighted the need for voter education and awareness, while others stressed the importance of free and fair elections. Each Rangoli was an ode to the principles of democracy and the power of citizens to bring about positive change in society.

The judges had a tough time selecting the winner, as all the groups had put in a lot of effort and creativity. In the end, the first prize went to the 4<sup>th</sup> group name of Participant Dipali Chavan that had used vibrant colors and intricate designs to create a powerful message about the importance of voting. The runner-up prize went to a 3<sup>rd</sup> group name of Participant Aditi and Aishwarya that had used a clever mix of traditional and modern elements to convey a strong message about the role of youth in shaping the future of the country.

The event was a great success, and it showcased the immense talent and creativity of our students. It was heartening to see them use their artistic skills to promote social and political awareness, and we hope that they will continue to do so in the future.

We would like to thank Dr. Mirza Shahed Baig for taking the time to judge the event and providing valuable feedback to the participants. We would also like to congratulate all the participants for their hard work and dedication, and we look forward to more such events in the future.
