

PARENT/GUARDIAN CONSENT

Dear Parent / Guardian,

Y. B. Chavan College of Pharmacy **mentoring program** provides our students with additional support to help them do their very best at college. Mentoring is an effective strategy to help children make positive choices, stay on track in college and avoid negative behavior.

The mentor of your ward is a responsible staff of this college. Mentor meet with your ward during or after college hours and do a variety of positive activities together. These activities take place in college premises.

Note:- The mentor's mobile no. and e-mail ID will be provided to you to keep a track of your ward's activities and development. We request you to give your consent regarding the mentoring of your ward.
