Subject: Forwarding the application of B. Pharm students regarding gaps between the examinations.

Respected Sir,

Please find attached herewith an application of B. Pharm students of this college regarding gaps in between the examination papers. As the examination schedule declared by the University shows daily paper of each class without any gap in between. It is difficult to study for next paper to the students in short time.

You are requested kindly to do the needful.

Thanking you,

Subject- Declaration of B.Pharmacy 8th semester result before 30/06/2019.

Reference –NIPER result dated on 12/06/2019.

Through – The Principal

Y.B. Chavan College of Pharmacy, Aurangabad.

Respected Sir,

We the students of Y.B. Chavan College of Pharmacy, Aurangabad studying in Final Year B. Pharmacy would like to bring at your kind attention that admissions for Post-Graduation courses in Pharmacy at the premier institute i.e. NIPER (National Institute of Pharmaceutical Education and Research) are admitting the student securing good Rank in NIPER JEE along with university results and passing certificate.

This year total **6 students** From Y.B. Chavan College of Pharmacy, Aurangabad qualified NIPER JEE examination with very good score and are trying for admissions at NIPER. This is a record performance and one of the best amongst institutes. The first one is having **ALL INDIA RANK of 31** and there are many in top 500 in India, who can surely get admissions in top colleges of NIPER. **The date of NIPER admission counselling is 12/07/2019. So please declare result within time. If you will be declare the result before 30/06/2019, and then we can get the leaving certificate from our college and subsequently the Migration certificate from the University.**

All these students will miss admission to PG courses despite their good NIPER JEE Rank if final year results are not timely declared. We are writing this application in advance because last time due to delay in declaration in results and issuing passing certificates by our Dr. Babasaheb Ambedkar University; students faced lots of difficulties for admission. Fortunately with constant efforts from all the university officer and teachers it has not affected students.

Considering the previous experience, we earnestly request you to kindly declare our result as early as possible and make mark sheets available to us so as to avoid situations like last year. It will definitely help us to achieve our goals in future. It will also be a blessing to all of us from the university after our grand performance.

We students hope that University will take appropriate and quick action for betterment of students' career.

Thanking you.

Respected Sir,

With reference to above mentioned subject and university circulars, Ref: Exam/ Pharmacy/2023, dated 17/02/2023 regarding conduct of university exams for First semester B. Pharm and First semester M. Pharm. from 23/02/2023.

The date given for exams is just about 44 days from the commencement of the classes which was 27/12/2022 as per the Government circular, no prior intimation was given by the university in this regard an such sudden declaration of exams has produced distress amongst the students and staff members (An application submitted by our students is enclosed herewith).

We request you to give due consideration to the fact that such arbitrary declaration of exams without any consideration of academic and internal formative assessment which is stipulated in syllabus will prove to be unjust and detrimental for the students. As of now only 40 to 50 % syllabus has been completed.

Therefore we implore you to kindly reconsider and postpone the examination.

Thanking you,

Yours Sincerely

Dr. H. Dehghan
Principal
